Disclosure in accordance with the Transparency Act of 2 May 2007

Ypres, Belgium – 30 August 2010 6.00 PM CET - In accordance with the Belgian Transparency Act of 2 May 2007 on the disclosure of important shareholdings in listed companies, Punch Telematix nv ('Punch Telematix') hereby announces that it has received the following notification:

- On 30 August 2010 from Trimble Navigation Limited pursuant to its holding crossing a disclosure threshold (95%) as per 27 August 2010 as a result of an acquisition of voting rights.

Given a denominator of 4,282,901 (total number of voting rights), the situation after the transaction is as follows:

Holder of voting rights	Previous notification	After the transaction	
	number of voting rights	number of voting rights	%
Trimble Navigation Limited	3,994,242	4,077,178	95.20

In accordance with the company's articles of association and for the purpose of compliance with the provisions of the Belgian Transparency Act of 2 May 2007 on the disclosure of important shareholdings, the threshold for the disclosure of a participating interest was set at three percent (3%) and at five percent (5%) and multiples of five percent (5%).

The actual notifications are available on the corporate website www.punchtelematix.com, in the section Investor Relations.

About Punch Telematix

Punch Telematix develops and markets transport management solutions for large and small firms in the truck & transport sector. These innovative and user-friendly total solutions consist of on-board computers, wireless communication services and web-based back-office applications. Thanks to their open standards and modular, scalable architecture, they are simple to integrate, and can grow with the changing needs of your business. Within a short period, Punch Telematix has established a sound reputation as an IT reference in Western Europe. The head office and R&D department are based in Belgium, and sales and service are supported by offices in the Netherlands, France, Germany, Poland and Spain as well as value-added resellers. Since November 2006, Punch Telematix has been on Euronext Brussels (PTX).
